About Governing Board & Assembly Leadership Positions:

As ACPA is a non-profit organization (registered 501c3), we are required to meet certain legal and business requirements to sustain. The Governing Board operates using an information version of Parliamentary Procedure for conducting business meetings, and newly elected officers will receive training and guidance for participating in these meetings.

Participating in the ACPA Governing Board is more like being a trustee of a college and university campus. The Governing Board is responsible for ACPA's financial wellbeing, strategic planning, and business practices and not as involved in day-to-day operations, programs, or services as most might think. Many apply for Governing Board and Assembly leadership positions because they have had positive and meaningful experiences in programming or services on behalf of the Association, and are surprised by the business-oriented nature of carrying out ACPA's fiduciary duties.

Positions available in this election require various levels and amounts of time and commitment.

Vice President applicants should expect to spend 15-20 hours per week for the next three years on ACPA-related meetings, communications, and projects;

Director positions on the Governing Board support the oversight of a specific functional area of ACPA, and participate in more meetings and projects than the Member-at-Large positions. Director applicants should expect to spend 10-15 hours per week for the next three years on ACPA-related meetings, communications, and projects;

Member-at-Large positions provide voice on a variety of association topics, but are not responsible for oversight of any one area of ACPA. Member-at-Large applicants should expect to spend 5-10 hours per week for the next three years on ACPA-related meetings, communications, and projects;

Assembly Coordinator positions provide leadership for their entity groups, but also participate in all Governing Board activities. As a result, Assembly Coordinator applicants should expect to spend 10-15 hours per week for the next three years on ACPA-related meetings, communications, and projects.

Participation in all Governing Board and Assembly Leadership meetings is expected for these positions. The full Governing Board meets on the second Friday of every month for two hours, and in person at the annual ACPA Convention.
